

May 2008

Dear Friends,

We are delighted to be able to tell you that **The Alice McCosh Trust** has just awarded its first grant.

With over 30 high calibre applications from all corners of the globe it was not easy to make a decision.

The successful applicant was Alexis Pridmore from the University of Aberdeen. The grant will go towards the costs of a field trip to study bats in the Kasanka National Park in Zambia.

We felt that this project was just the sort of thing that the Trust should support and we look forward to hearing about the success of the project on Alexis's return.

We are continuing to raise funds and thank you for all your support to date. Please do check our website for regular updates.

Best wishes from [The Alice McCosh Trust](http://The Alice McCosh Trust).
